Custom Packaging, Tissue, & Gift Wrap

Our boxes are available in many options and fully customizable. Choose from our line of classic soft-touch, corrugated, eco-friendly or pillow pods.

Printing

Our boxes are printed using full color CMYK digital printing, so we can print any color you desire. Extra options include debossing, embossing, foil or spot UV.

Hand Assembly/Kitting

Once your box is designed and printed, let us take your project one step further! Send us your items and sit back and relax, while your box is hand assembled and kitted in our facility.

Fulfillment/Dropshipping

For a true one-stop shopping experience, let us handle the shipping. Whether you need it bulk or individually shipped, we have you covered.

INTRODUCING
Smart Boxes

Our gift boxes get an upgrade with NFC (Near-Field Communication) technology. Design one or multiple, customized digital experiences that will engage the end user. Create videos, offers, and even collect feedback. Simply tap the box with any smartphone* and instantly engage with customized content. The Smart Box chip can be inserted into any of our Classic Boxes, Corrugated Boxes or Pillow Pods.

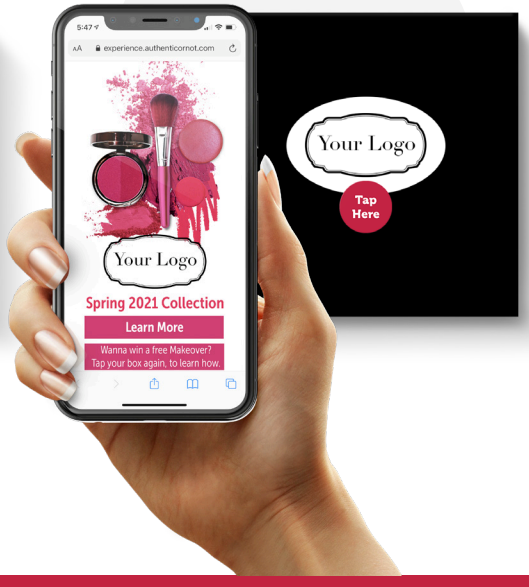

*NFC technology works with all Android and iPhone 10, and newer devices.

How it Works

Step 1

Choose Your Packaging

The Smart Box chip can be inserted into any of our Classic Boxes, Corrugated Boxes or Pillow Pods. The choice is up to you!

Step 2

Choose Your Digital Experiences

Our Smart Box chip allows the user to engage with multiple digital experiences. On the first tap, show them an informational video, on the second tap entice them with an offer, and on the third tap send them to a customized landing page to collect user data. The type and number of experiences is up to you! Simply send us your content and we'll take care of the rest.

Step 3

Tap Box With Your Phone

Once the experiences have been programmed onto the chip and inserted into the box, it's ready to go! Simply tap the box with any smartphone*.

Step 4

Reveal Digital Experience

With a single tap reveal the digital experience, and keep them tapping for more!

*NFC technology works with all Android and iPhone 10, and newer devices.
